Miss Kanokrat Wongraphairot (collectively referred to as the "Tender Offerors") in the Tender Offer documents regarding the plan to sell shares of the business**

Rationale The Board of Directors approved to propose that the shareholders' meeting to consider approving the Company to proceed the substantial matters which are different from those stated by 1. Miss Kanokrat Wongraphairot (collectively referred to as the "Tender Offerors") in the Tender Offer documents regarding the plan to sell shares of the business. Due to the Company's plan to increase its capital by issuing and offering newly issued shares to the existing shareholders proportionate to their shareholding, the Tender Offerors have considered that in the case the Tender Offerors have to maintain the shareholding proportion of not less than 50 percent of the total issued and sold shares of the Company will cause the Tender Offerors to have a burden to subscribe for a large number of shares and spend a lot of money which may affect a financial liquidity of the Tender Offerors. In addition, if the Tender Offerors do not subscribe for the newly issued shares, the shareholding proportion of the Tender Offerors could be reduced. Therefore, the Tender Offerors wish to change the plan to sell shares of the business under Tender Offer document as follows:

Original:

Plan to sell shares of the Company

At present, the Tender Offerors have no plans to sell or transfer any significant number of shares that have been bought back. There will also be no short-term trading for profit of the mentioned shares, at least for 12 months as of the end date of the tender offer period except in the case where the Tender Offerors have to do so in order for the business to qualify for the distribution of minority shares in accordance with the criteria for maintaining the status of a listed company or the Tender Offerors are obliged to comply with the laws and regulations at the moment. However, the Tender Offerors may sell or transfer the Company's ordinary shares being acquired prior to and after the tender offer to other persons by reducing the holding of securities in the following cases:

- Transfer of shares to persons under Section 258 of the Securities and Exchange Act B.E. 2535 or related persons and juristic persons, such as wives and minor children to suit in arranging the internal shareholding structure of the Tender Offeror; or
- Sales to business partners or other investors interested in the business such as Strategic Shareholder or Venture Capital or funds or investors who are interested in investing in the business, etc.

Nevertheless, If the aforementioned shares are sold, **the Tender Offerors may hold the Company's ordinary shares in the aggregate of not less than 50 percent of the total issued and sold shares**

with voting rights of the Business. (No less than 50 shares include the number of shares of the Tender Offerors and persons acting together with the Tender Offerors and persons under Section 258) without affecting the business control and will notify the sale of ordinary shares to comply with the regulations, rules and/or regulations of the SEC and/or the SET.

Amendment:

Plan to sell shares of the Company

At present, the Offerors have no plans to sell or transfer any significant number of shares that have been bought back. There will also be no short-term trading for profit of the mentioned shares, at least for 12 months as of the end date of the tender offer period except in the case where the Tender Offerors have to do so in order for the business to qualify for the distribution of minority shares in accordance with the criteria for maintaining the status of a listed company or the Tender Offerors are obliged to comply with the laws and regulations at the moment. However, the Tender Offerors may sell or transfer the Company's ordinary shares being acquired prior to and after the tender offer to other persons by reducing the holding of securities in the following cases:

- Transfer of shares to persons under Section 258 of the Securities and Exchange Act B.E. 2535 or related persons and juristic persons, such as wives and minor children to suit in arranging the internal shareholding structure of the Offeror; or
- Sales to business partners or other investors interested in the business such as Strategic Shareholder or Venture Capital or funds or investors who are interested in investing in the business, etc.

Nevertheless, If the aforementioned shares are sold, **the Tender Offerors may hold the Company's ordinary shares in the aggregate of less than 50 percent of the total issued and sold shares with voting rights of the Business. (less than 50 shares include the number of shares of the Tender Offerors and persons acting together with the Tender Offerors and persons under Section 258)** without affecting the business control and will notify the sale of ordinary shares to comply with the regulations, rules and/or regulations of the SEC and/or the SET.

The Board's Opinion The Board of Directors deems it appropriate to propose to the shareholders' meeting to approve the proceeding in the substantial matters which are different from those stated by Tender Offerors in the Tender Offer documents regarding the plan to sell shares of the business. In this regard, the Board of Directors deemed that such proceeding shall not affect any Company's business operation.

Voting This agenda item requires not less than three-fourths of the votes of the shareholders present at the meeting and entitled to vote, excluding the vote from interested shareholders which are Mr. Suthipot Ariyasuthivong, Boonaue Chitthanom, Mr. Nattapong Sitaworarat, Mr. Wirat Anuraputti, Mr. Nopporn Achavakulthep, and Miss Kanokrat Wongraphairot.

Remark: (1) The proposed timeline to utilize the proceeds for business expansion in the new potential business and/or as working capital in the business is within 6 months from the date that the approval from the Shareholders' meeting is granted.

(2) During the Company has not yet utilized the proceeds as specified, the Company has the policy to take advantage of the existing high-quality liquid assets by managing to invest in securities, equities, and/or debt instruments and/or invest in businesses with preferable returns than fixed deposits at banks depending on the returns and risks as the Company deems appropriate. In this regard, the investment committee set the investment policy as follows:
